

THIS OLD DOC

This old doc, he worked hard.
He worked knick-knack on the ward.
With a knick-knack paddywack
leave the doc alone.
He's worn out and going home.

This old doc, he worked well.
He worked knick-knack for long spell.
With a knick-knack paddywack
leave the doc alone.
He's worn out and going home.

This old doc, he worked slow.
He worked knick-knack on the go.
With a knick-knack paddywack
leave the doc alone.
He's worn out and going home.

This old doc, he worked on.
He worked knick-knack all life long.
With a knick-knack paddywack
now his job is done.
He's retired and in a home.
